

PRESCHOOL NEWSLETTER

January 27, 2018

POLAR ANIMALS was the theme this week, as the children studied the letter P and icy cold places in the world. We learned that penguins and polar bears live at opposite poles, and never meet. God gave them special bodies to endure the cold weather. In Jesus' Time, we learned about baptism in our lesson on Baptism of our Lord. In baptism, God's Word does the work and with the water, washes our sins away!

THANKS TO ALL WHO CAME to our enrollment fair and open house! It was a fun event for all. There is still time to take advantage of the half-price registration fee for next school year. Need summer care? We have a program that runs year-round! See Debi in the office to register, and contact Gwen with questions about our program! Summer scheduling and information will be available after Spring Break in March.

WE ARE RESTOCKING OUR SNACK PANTRY AGAIN! Snack cards are available by the sign-in books. Families can take a card or two to the grocery store, and help us fill our pantry with snack items for the students.

AMAZING ATHLETES: Every Wednesday, we will host Amazing Athletes, which is a physical education program for young students. Classes run from 11:30-12:15 every Wednesday. Half-day families can pick up their children at 12:15. Class costs include a free t-shirt. Flyers are on the coffee table in the entryway. Pick one up! Please see your child's teacher to sign up, or if you have any questions about this wonderful program.

CHECK OUT THE WINTER ART that is on display in the hallways and preschool classrooms, if you did not get a chance during the enrollment fair. The children have created some beautiful works of art!

BOX TOPS FOR EDUCATION: Please save box tops for education and turn them in at the office. We use these box tops for school supplies.
