

### Trinity Lutheran School UPSTAIRS

You may have noticed a dumpster come and go in the school parking lot. Through routine inspections, we were instructed to clean and organize the contents of the upstairs of the school building and to begin some projects for safety purposes. This includes putting the drop ceiling in and to begin some of the drywall work. Prayers as we take these steps moving forward.

Each student will be prayed for, receive letters and cards, and will have a LifeGuard there to support them. Students will be assigned to their LifeGuard this month.
