

## PRESCHOOL NEWSLETTER SEPTEMBER 27, 2020

**JESUS' TIME:** God promised Abraham that he would have many descendants. We are some of the descendants that are as numerous as the stars in the sky. Abraham's faith is OUR faith. We are saved by trusting in God's promises, especially the promise of forgiveness in His Son, Jesus!

**Bb is for bears and balloons and balls!** The children's activities all revolved around the letter B. We ate bananas and berries and bagels, built with blocks, searched for bugs, played with balls and balloons, and had fun building friendships in the process.

**CHILDCARE SIGN-UP FORMS** for the week of Fall Break will be sent home in your child's backpack THIS WEEK. Please fill out and return to your child's teacher if you need childcare during Fall Break in October. You must sign up in advance, because we will need extra staffing for the different age-groups.

**PARENT-TEACHER CONFERENCES** will be held the week of October 12. Due to glitches in Miss Marshall's schedule that week, we have decided to use old-fashioned paper and pen sign-up sheets, instead of the sign-up link. Watch for these sign-up sheets on the desks as you walk in the building, beginning next Monday, October 5.

**RAIN BOOTS/SNOW BOOTS:** If your child wears boots in the morning, please send a pair of play shoes so they can change out of their boots for the morning.

### THANK YOU FOR YOUR MANY SNACK DONATIONS!

A couple of people have asked if there is anything we didn't receive that they could bring in. Here's the list: Carton of Goldfish crackers, plain bagels, strawberry cream cheese, Wheat Thins, Club crackers, Triscuits, burrito-sized tortillas, and peach slices. We're hoping this carries us through at least Thanksgiving, if not Christmas, and we will restock again in early 2021.

**THANK YOU** to all who came to COOK'S NIGHT OUT on Tuesday. Thank you, also, to the Board of Christian Education, which sponsored this fun event! They made a Tuesday seem like a Friday!

**FALL BREAK IS OCTOBER 14-16.** Look below for the details of that week, and mark your calendars.

### ADD A JACKET TO YOUR CHILD'S MORNING CHECKLIST! Please send a jacket every day.

Sometimes the morning temps are in the 40s or 50s. The health department recommends that we play outside every day that we can, unless it is storming or icy. Licensing says we can go outside when the temperature is between 20 and 90 degrees.
