

PRESCHOOL NEWSLETTER

November 15, 2020

THANKSGIVING AND VETERANS DAY were our themes this past week. The children focused on giving thanks to God for our Veterans, who served in the military, to defend our country. The children sang beautifully at the Veterans Day service on Wednesday at Trinity Lutheran.

The children learned about horses in Mrs. Mary's class this week. The preschoolers in both classes enjoyed reading stories about Harold, and the Purple Crayon. They rode Hobby Horses in the gym, and sang happy songs. We celebrated our Heroes at the Veterans Day chapel service, and ate ham and honeycombs on different days for snack. In Jesus' Time, we focused on Daniel in the Lion's Den.

COVID UPDATE EMAIL was sent last Friday. Please check your spam folder if you do not see it in your inbox. We are changing our procedures for drop-off and pick-up to **CURBSIDE ONLY**. We will send home a laminated name tag which you can attach to your passenger's seat visor with a binder clip. When you pull down the visor, and turn it toward the side window, your family name will be visible to teachers who will escort your child to your car. See Gwen's email for all the details. There are three attachments with that email. Take a look!

NEXT WEEK IS THANKSGIVING BREAK: November 23-27. There will be no morning preschool classes that week. Need childcare? Sign up using the red form we sent home last week.

TURN IN YOUR PIZZA ORDER FOR COOK'S NIGHT OUT THIS WEDNESDAY:

Thanksgiving week will entail lots of time in the kitchen. Let us take the cooking of one meal off your plate! Our Cooks Night Out for November is at Papa Murphy's Pizza on 23rd Avenue in Evans (this location only). We are handling this month's outing a bit differently – we will take pre-orders to make sure your pizzas are exactly how you like them. You will receive an order form from your child's teacher, or you may pick up extras in the office. Turn in your pre-order form (along with the payment, please!) until Wednesday, November 18, and then you can pick up your freshly prepared pizzas at Papa Murphy's on Wednesday, November 25. Thank you for supporting the school ministry through these monthly fundraising opportunities!

JESSE TREE KITS AVAILABLE FOR ADVENT: School families can purchase a Jesse Tree and ornaments kit for the Advent season. Watch for a display in the school entry this week. Kit includes a table-sized tree, along with an ornament for every day in Advent, and a devotional booklet. Each day, your family can make an ornament and read a short devotion, as we prepare for and anticipate the birth of our Lord Jesus Christ. Cost is \$20, and they will be available after Tuesday of next week in the office. Want to get together with other families and assemble your Jesse Tree? There will be a get-together at the church fellowship hall on November 27 for cocoa and cookies at 6:30 PM. Come join us!
