Dear Brothers and Sisters in Christ,

I pray that God's grace is richly abounding in your life today and always!

It truly amazes me how great the effort is in our current culture and times to attempt to push God out of virtually everything. It is not uncommon to hear about the Ten Commandments engraved on walls having to be taken away. Of course, prayer has become a major issue in schools and other public settings. Hollywood makes great attempts to mock Christ and degrade anyone who has faith in Him. None of this should really surprise us, however. In the opening words of John's Gospel it is written:

*From the
Pastor*

The true light that gives light to everyone was coming into the world. He was in the world, and though the world was made through him, the world did not recognize him. He came to that which was his own, but his own did not receive him (John 1:9-11).

It is really quite amazing that the creature fails to recognize the Creator Who has created him! Even the church of the day, the Jews, did not receive Him. This is quite a sad testimony of history. Now, currently, history continues to be made and tragically repeats itself. Evolution is now pretty much presented as fact instead of a theory and creation is mocked and discounted altogether. The Creator is still denied. Most of the world, yes even the *religious* and *spiritual* adamantly deny Christ to be the Son of God and the Savior of the World.

While this can be very discouraging at times it should not be. God has clearly informed us that this is the way a sin- corrupted and dark world thinks and operates. Jesus stepped into this world for this very purpose of confronting evil and, to do so, made His journey to the cross. Good Friday, which appears to be the darkest day, is truly a day of greatest blessings. Our Lord won for the entire world of all time the victory of salvation over sin, death and Satan. Even though He places this victory in the lap of every human being, most reject the gift and want no part of it. However, this does not change the reality of what Christ has done nor the value and effectiveness of the gift given. We rejoice that by God's grace we have not rejected His gift but joyfully receive it and all the blessings that come with it!

Have you ever considered this? It is quite amazing that most want to reject the public display of the God's moral Law, the Ten Commandments, even though they have this same moral law written in their hearts:

Indeed, when Gentiles, who do not have the law, do by nature things required by the law, they are a law for themselves, even though they do not have the law. They show that the requirements of the law are written on their hearts, their consciences also bearing witness, and their thoughts sometimes accusing them and at other times even defending them (Romans 2:14-15).

It would be a little difficult to remove the law from one's heart, wouldn't you say?

The really Good News in all of this is that God is never going away. The creature cannot remove the Creator as much as he or she may try. God is God and is always in control and sees to it that His will is done. Attempts were made to destroy Jesus; yet, when they thought they had succeeded with the crucifixion, Jesus rises from the dead! When attempts were made to squelch the proclamation of the Gospel in the early church, as recorded in Acts, God intervened and the Gospel message flourished and the church grew by the thousands against all odds. Nothing has changed today. Hollywood attempts to destroy Jesus through movies and a Baptist church in Albany, Georgia is led to do outreach through the development of movies for the big screen. On a shoestring budget they succeed by producing several movies that became great successes at the box office and proclaimed and continue to proclaim the Gospel to the multitudes. God is amazing in how He continues to work.

May we, then, in the midst of several events that can frustrate us be bold for the Gospel as we strive to live it and share it! God's Word never fails.

May we then be faithful in carrying on the great work that the Lord has entrusted us to do in sharing the Gospel of Jesus Christ with the multitudes. What a blessed calling. We can do it with boldness and courage knowing who God is and that His truth will never fail!

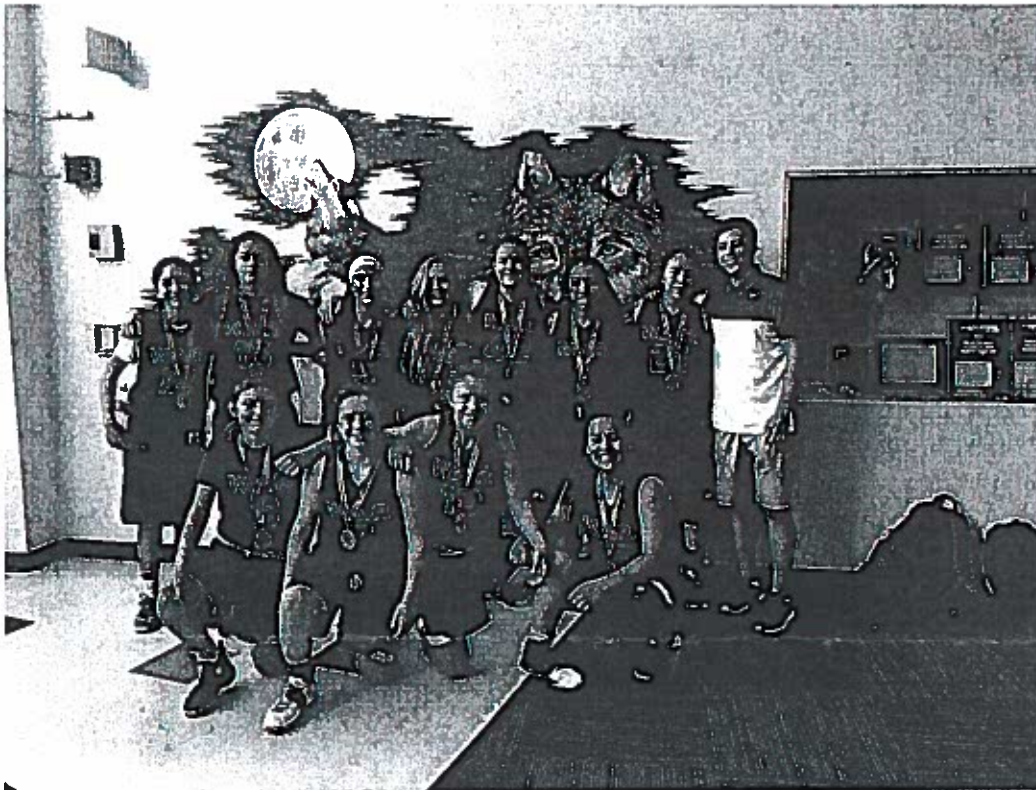

God bless,

Pastor Greg

A Missionary Update

from Xzaivier James and the Colorado WAR Basketball Players

A big thank you from the Colorado WAR basketball teams! This past weekend their girls team took 2nd place and their boys took 3rd place in their tournament.

They are headed to Las Vegas next week to compete in a tournament of the top 48 rated teams in the country!

Remember them in your prayers that they may have safe travel.

Xzaivier works with youth in our community to provide opportunities for a better life thru structure, discipline & leadership.

They give thanks and praise to God, that Trinity has taken them under their wing as a mission, making the school gym available to them for nightly practices.

From the Desk of our President

Summer is really here! And this has been a very busy one for our mission at the school. Les and Kathy Durdy are leading the efforts to get the Early Childhood Center and the K - 8 classrooms ready for the new school year. THANK YOU to both of them, and to all the wonderful volunteers who are painting, cleaning, moving furniture and all the rest of the chores that go into this transition.

I will let Kyle and Katie tell you about all the great things that are happening in their areas. Please join me in prayers of gratitude for them and for their staff. The children we will be blessed to have in their programs are our mission and our focus. We are also grateful to be able to bless their families with the Word of God and the fellowship our programs provide. The parents are becoming more involved in the School and the ECE and attending Bible studies and for that we praise God.

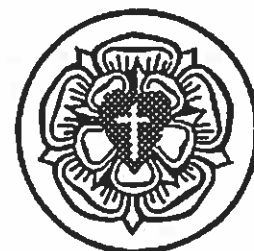

While we are thanking God for our blessings, say a prayer for Angela Erickson as well. She and some really wonderful volunteers are working hard to get and keep our young people involved in the Word...both in the Sunday School and the Youth Programs.

"And in other news"....the repairs from the storm in May have been completed, the insurance claim was filed, and we have received a check from the insurance company. The GOOD NEWS is that it was almost all covered! Thank God for that and for all the people who showed up the night of the storm....without them we would have had much more damage and much larger bills. While you are thanking Him, include the great people at ServPro who saved our gym floor and cleaned our classrooms (both school and Sunday School).

It is such a joy to see the beautiful windows go in to the church. Everett Darco is truly an artist and we are so blessed to have him. Thank you to all of you who gave memorial money and Easter Love offerings to support this effort.

As some of you know, I just got back from a trip to Europe called In the Footsteps of Luther. To see the places where Martin Luther worked and lived and was inspired by God was amazing. It also made me appreciate how much the work he did shaped the world we live in. Check out Part I of the "Luther Mile" at lutheranreformation/luthermile.org. It is a 20 minute video all about the area I just visited, where Martin Luther lived and worked. Also, the School has purchased the New Luther Movie and it is available for small groups to borrow. Contact Debi in the office in you are interested. The Elders and Pastor Hafeman are working on plans to mark the 500th anniversary of the Reformation ...stay tuned for more news about that.

Announcing our New Fall Line-Up

From the Board of Christian Education

Our K-8 school ministry is growing and we feel so blessed. Let us introduce our staff for the coming school year:

- **Kathy Windsheimer** is someone you all know. The exciting news is that she will have a full Kindergarten classroom!
- **Shannon Conner**, who was our PE and substitute teacher last year is now joining us full time to teach 1st and 2nd grades.
- **Angela Erickson** is going to teach grades 3-5 for this year. We are taking advantage of her degree in Elementary Education (she had a double major with the DCE program) to give us a school year to find a full time teacher for this classroom. She will continue her work as our part-time DCE.
- **Brian Wilcox** is joining us to teach middle school, grades 6th, 7th, and 8th. He is coming to us from South Dakota. His wife, Alison is going to be working on her Masters degree at UNC.
- **Karen Keller** will be back for art, and **Bob Thorgeson** is joining us for science
- We are pleased to announce the promotion of **Kyle Erickson** to the position of Principal of Trinity Lutheran School. This move will help us to keep the growth momentum we have now in the school and the mission of reaching out to children and families to learn and grow in the Word of God. This position is funded by a donation from a church member, so it is not an addition to the budget approved at the last Voters Meeting.

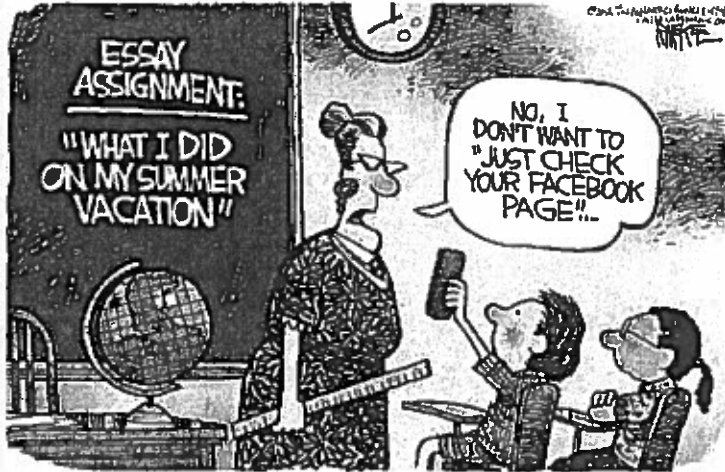

Our growing Preschool ministry has added a third room, which you have heard us talk about all summer as we worked to get everything ready while still having kiddos for Summer Camp!

- **Katie Groves** is returning as our Director of the Early Childhood Education program. She worked tirelessly with Colorado Shines to achieve our 3 star rating.
- **Mary Shultz** is also returning as a Preschool Teacher for the 3 and 4 year olds. Many of her students last year were 3 year olds and will be returning.
- **Shauna Yanke-Hofmann** will be the Lead Teacher for the *new* Toddler room for 2 1/2 year olds.
- **Katlyn Dick** is new this summer, and will be assisting Katie as a teacher's aide.
- **Esther Morris** did her student teaching here at Trinity and is now assisting Mary as a teacher's aide in the mornings.
- **Chelsea Lambert** is returning as a teacher's aide and will be assisting Shauna in the Toddler's room.
- **Sarah Obert** is also returning as a teacher's aide for the afternoon childcare program. We are still praying for guidance regarding the afternoon Lead teacher.
- **Susie Kline** has changed from being a teacher's aide to being our Food Service Specialist, working with the Preschool teachers providing snacks as well as heading up the new hot lunch program for Preschool and K-8.

Please join us on Sunday, August 13 to meet these wonderful folks and celebrate their installation. Then join us for a BBQ lunch at the school and see all the summer work!

School Happenings

Greetings in Christ,

Our 2017-2018 school year theme is "Upon this Rock." Isaiah 26:4, "Trust in the Lord forever, for the Lord is an everlasting rock." Let's face it, times are changing, just take a glance at our education system and how technology has impacted the methods of teaching and learning. No matter how you present the information, 2+3 has and will always equal 5. In a world of constant

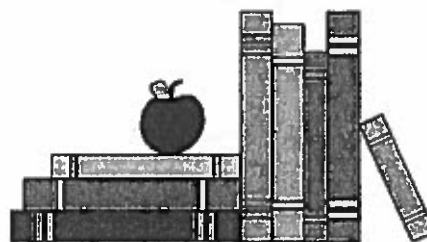

change, we can find consistency in God's love, grace, and mercy for us. Praise be to our Rock and our Redeemer!

There are so many people to thank as we wrap up the summer of transitioning. Tons of painting and switching classrooms took place as we accommodate the growth of the school. A huge, special thanks to the Durdy family. What amazing servant hearts they've displayed through all of their giving. We are also appreciative of all the things Virtus Einspahr and Larry Whitney do to keep this ministry together.

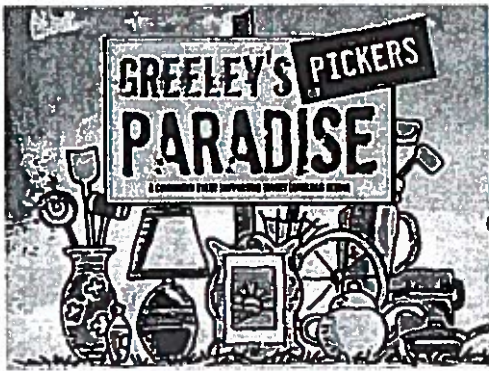

Along with the transition of a new school year comes new faces including those of students, families, and staff. Everyone is invited to join us on August 13 for our Open House as we welcome those connected to the school.

Wednesday, August 16 is our official first day of school. Thank you for your prayers, especially for new staff members and families that might have any anxieties. May they find the peace and comfort that comes from above. Also to returning staff members and families, that they may continue to receive the blessings that God provides through Trinity Lutheran Church and School.

Upon this Rock,
Kyle Erickson

FROM THE
**DIRECTOR OF
CHRISTIAN
EDUCATION**

Happy August! I hope everyone is enjoying the hot temperatures and differing routines that summer offers! School is just around the corner, and (hopefully) we're all looking forward to that at this point, as well!

Beginning in August, my ministry description (and hours) will expand a bit to include the Sunday School program. I look forward to investing time and energy into our teachers and students as they share the love of God.

I want to thank Jessica Anderson and Heather Flesner for their dedication during the summer as Sunday School teachers, giving our regular Sunday School teachers a well-deserved break. Thank you, ladies! Also, a big thank you to Steve Cooper for incorporating a puppet ministry into the beginning of the Sunday School hour – it's been a hoot! We are looking for more Sunday School teachers for the fall when Sunday School starts back up. Please chat with me if you have any questions or are interested.

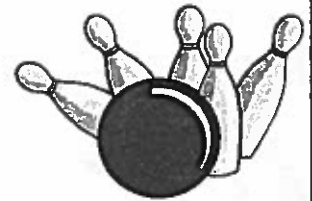

Youth Sunday School: Middle school and high school youth are encouraged to come together for Bible study during the Sunday School hour (beginning at 9:20 on Sunday mornings) entitled "That's in the Bible!!" Show up for some **hot beverages, courtesy of our very own coffee bar** down in the youth room, and learn all about when Jacob wrestled an angel that dislocated his hip, when God made a donkey talk, when a woman named Jael ran a tent peg through the head of a sleeping enemy soldier (ew!) - **all of the weird, gross, or creepy accounts in the Bible you may not have heard of before!**

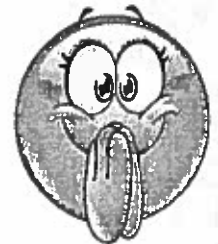

Mom's Bible Boost: Currently meeting at Sanborn Park on Thursdays at 11:00 am for a Bible Study ("God Loves Moms") followed by a picnic lunch. Once school starts, we'll meet in the Youth Room in the church basement after the children are dropped off at school.

Also on the schedule:

Monday, August 7th: All Youth bowling at Chipper's Lanes (2454 8th Ave in here Greeley) Kids (18 and under) bowl **free** two times a week **all summer** if you sign up at kidsbowlfree.com beforehand! All you need to bring is money for shoe rental (and for snacks if you want them)! Let's meet there at 3:00 pm for some fun!

Wednesday, August 16th: **First Day of School Woo-Hoo / Boo-Hoo Parent celebration** Does the first day of school make you want to **celebrate** – or make you a little **teary**? Following drop-off at school, any moms and dads who would like a quick hot beverage and a chance at commiseration with fellow parents, come and quickly grab a drink, or stay for a bit of chit-chat. Let's meet at Root's coffee shop (808 22nd Street, Greeley, near UNC's campus).

Calling all 6th –8th Grade Youth! We need your help as acolytes whether you are in Confirmation class or not! We need help for both services 8:00 am and 10:30 am. Contact Mr. Whitney or myself as to your availability. We will be putting a schedule together soon.

Peaches

Peach Sale Update!

*Peach
Partnering
with
Pope Farms*

First, a **BIG** thank you to everyone who was so very supportive and placed orders. We out did our original expectations!

Peach orders should be available for pickup on Friday August 25th in the school office from 8am-6pm. (To ensure freshest quality we are only designating one pick-up day.) If you are unable to pick up your peach order on Friday please contact Susie, (970)396-2562 or at susientea@gmail.com, to arrange another pick up time. There is a chance our peach delivery might change, so you will be contacted prior to August 25th to confirm the peach pick up date. Any peach orders that have not been claimed by Wednesday, August 30th, will be considered a donation to the school lunch program. Thank you all for your participation with our newest fundraiser!

Cook's Night Out

Tuesday, August 29th

Come join your Trinity family and get out of the kitchen for a good cause! It's time for our first Cooks Night Out fundraiser of the new school year! Eat at Bulldog Deli located at 1815 65th Avenue in Greeley on Tuesday, August 29th for lunch or dinner, and Trinity Lutheran School will receive 15% of each receipt. Just show up with your Trinity Lutheran School flyer (available the Sunday before, following the church services, with extras in the office.) Bulldog Deli has wonderful pizzas and deli sandwiches! Keep in mind that they are a smaller-scale "mom and pop" organization; if we all show up at once, it might be overwhelming for their kitchen staff! A great idea would be to check out their menu online at <http://www.bulldogdeligreeley.com/> and call in your order ahead of time! What a wonderful way to support small businesses in our community! We're looking forward to a wonderful evening of food, fun, and fellowship!

"Look at the birds of the air. They do not sow or reap or store away in barns, and yet your Heavenly Father feeds them. Are you not much more valuable than they?" Matthew 6:26

Thank you all for your gifts, volunteer time, and prayers, I am truly grateful for the generous people God has blessed us with. Our third Classroom was inspected and approved!

I praise God for the blessings the preschool program has received. Twenty-Four more children will be able to experience the love of Jesus this year because of your generous gifts to our program. So far all the preschool rooms have been painted and furnished. We are thrilled about setting up our rooms, but more excited to see our preschool friends again in the fall.

For now, we are having a lot of fun with our summer camp friends. On Mondays, the local library visits and reads stories, sings songs, and helps the kids make a craft. So far we have made an "A" Alligator, and a puppet frog.

Then, on Tuesdays, we have Coach Claire from Amazing Athletes visit. Wow! This program is so much fun! The kids learn and practice different sports, learn about the muscles they are using while playing the sports and one food that helps the kids grow.

We also had the Greeley Fire department stop by and show us the fire engine and the Colorado Parks and Wildlife stopped by to tell us about prairie animals and conservation of our natural resources. Next, the train museum will be visiting and we can't wait to see what they bring to show us.

If you have a talent or would like to volunteer to read to the summer camp kids, please email me at trinitypreschool3000@gmail.com or call the school and ask for Katie.

Did you know.....

You can go to your bank and set up automatic monthly or weekly payments to Trinity. Just ask your banker how to do this. Our counters will make sure you get credited just like you do when you use your offering envelope. Your gift is received whether you are able to attend services or not.

What does this mean?- After paying all of our expenses for the year including cleanup and repairs after the May storm, we were short \$4280.00. However, after the end of the fiscal year, we received a check from our insurance for more than the deficit amount. If you have any questions regarding these numbers, please feel free to contact a Finance Board member, Connie Mapes, Vicki Akin or Kristen Meritt.

A Note from the Editor:

August reminds me of County Fair time in Nebraska. Many years ago when I was younger, school didn't start until after Labor Day, making the focus of August about finishing 4-H projects for the County Fair and cherishing the last days of summer at the lake. An accomplished seamstress and good cook, my mother was our 4-H leader. She taught the young girls in our community to sew and helped them with their baking projects. She was a good teacher, supportive and encouraging. My friends all remember those days fondly, as do I, with the addition of the word "perfectionist". There were many late nights of sewing, ripping out stitches, sewing again and tears in the Roethemeyer basement in preparation for the County Fair. At the time, I would have used words less complimentary regarding my mom. A teenager does not have the perspective of the hours mom was investing in teaching her child a craft that she could use her entire life. A teenager only sees the missed summer fun, and only hears the, 'do it again'. My mom would say, "If it's worth doing, it's worth doing right" and "if you do it right the first time, you won't have to do it again". Mom never did the sewing for me, but many mornings I would trudge downstairs to the sewing room to find she had carefully removed crooked stitches and re-pinned the seam, so I could 'do it again' or to find she had lovingly pressed the acceptable work and it would be hanging up, a symbol of approval. It was years later that I realized the hours in the sewing room were less about learning to sew and more about teaching life lessons to her head-strong and stubborn oldest daughter. As I fondly remember those days, I think of the time and effort our Heavenly Father has invested in His sons and daughters. Teaching us His laws and His desire for perfection as a Divine and Holy Father. Wiping our tears away, encouraging us to live upright and righteous lives, and sending His son Jesus Christ to remove the crooked stitches from our lives by dying on the cross and washing all our sins, mistakes, and imperfections away. *"You are all sons of God through faith in Christ Jesus, for all of you who were baptized into Christ have clothed yourselves with Christ."* Galatians 3:26 That makes you a blue ribbon winner.
