Dear Brothers and Sisters in Christ,

Have you considered the special times in which God has blessed us to live; the 500<sup>th</sup> anniversary of the Reformation! It immediately draws my attention to the great sacrifice that was made by many before Martin Luther who died as martyrs for the faith in their attempts to get the clear message of the Gospel of Jesus Christ out to the multitudes. By God's grace Luther succeeded even though his life was often threatened. Can you imagine standing before a powerful leader who commands you to renounce everything that you have proclaimed about the truth of the Gospel and if you refuse to do so you could be executed? Luther at the Diet (assembly) of Worms (Worms, Germany), faced this very circumstance at a hearing before Emperor Charles V of the Holy Roman Empire where he had to answer to charges of heresy. He was called upon to renounce everything that he was teaching with regards to God's truth as revealed in the Bible. Luther refused and responded with these famous words:

*Unless I am convicted by scripture and plain reason—I do not accept the authority of popes and councils for they have contradicted each other—my conscience is captive to the Word of God. I cannot and I will not recant anything, for to go against conscience is neither right nor safe. Here I stand, I cannot do otherwise, God help me. Amen."*

Consider how blessed we are to be able to freely express God's truth without the fear of persecution or martyrdom. We are even more blessed to know God's grace and to possess the security of salvation. 500 years later, Trinity Lutheran Church continues to proclaim the truth through our preaching and teaching within this congregation and school.

It is so exciting to see, in this 500<sup>th</sup> anniversary of the Lutheran Church, the great blessings that God continues to bestow on our family here at Trinity. If you were at the installation service for our school teachers and staff a few weeks ago, you can see how this ministry is growing and our staff is growing! We currently have 40 in preschool and 36 in K thru 8<sup>th</sup> grade! At least 76 young people are going to consistently hear about God's grace throughout this year of school. They will take this message home to their parents.

In all this excitement there is also added responsibility, financially, to support this great ministry. We, Pastor and the Executive Council, are asking that you would prayerfully consider giving a special offering to build up our Savings Account so that we continue to have a safe cushion to draw from when offerings might be down; especially in the summer months. In tracking our offerings, we are seeing a trend that the envelope offerings do go down significantly in the summer months. There is less tuition income as well. So when the payroll, benefits, mortgage amounts are constant, but the offerings and tuition income are not, we have to draw funds from savings. When the offerings and tuition income goes back up in the fall and winter, there is not enough to replenish the savings account. Bottom line.....with our greater responsibility we need a larger cushion. Please prayerfully consider this need as you decide how to make your offerings.

In celebration of the Reformation we are going to have a special giving opportunity throughout the month of October that will be built around the number, 500. This will be fun and exciting as well as a great blessing towards the continuance of proclaiming God's truth for generations to follow! Look for more details in the near future!

God bless,  
*Pastor Greg*

## **From the Desk of our President**

I love fall; the colors, the harvest activity, and the cooler weather. And it was so much fun to see the excited kids coming to see their classrooms, meet their teacher, and see their friends again at our Back to School BBQ on August 13. We had a great turnout, and lots of folks from the congregation came by to eat the wonderful food and see all the work that was done over the summer. It was a "GOD IS GOOD" day...and thank you to all who made it happen! By the time you read this the kids and teachers and aides will be hard at work. Please pray for our wonderful school and preschool staff, for the kids entrusted to their care, and for their parents.

We also have a wonderful group of volunteers who keep the church and school grounds clean, weeds picked, lawns mowed, and trees trimmed. This is a large property and it takes a lot of work to take care of all of it. Please join us on the second Saturday of each month, from 8 am to 10 am (ish), there is always something to do!

**Come and  
Join Us!**

As October approaches we are planning activities for the 500th anniversary of the Reformation. There will be special services with our fellow LCMS churches, movie nights, video presentations, and sermons about this major event in our church and our world's history. If you would like to help with the planning and/or presentation of these events please talk to me, Pastor, or one of the Elders.

Thank you again for all you do to support our congregation our missions, and our school.

God's Precious Children,

How can I not begin this article by reflecting upon the Back to School Open House/BBQ? Wow!!! From the bottom of my heart, thank you for creating such a positive, welcoming environment for our first church/school function for the 2017-2018 school year.

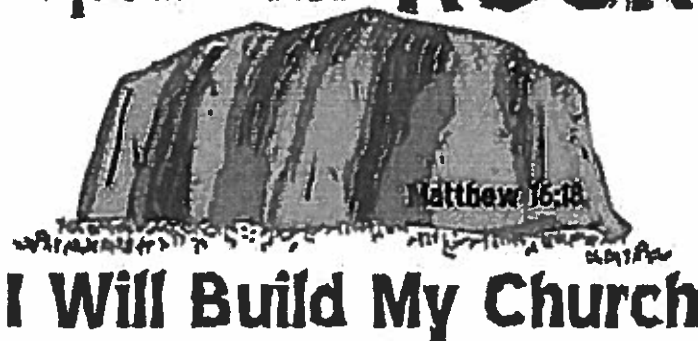

I must confess, I was smiling ear to ear throughout the "Back to School" church service, especially while being installed alongside such a talented group of teachers, entrusted to carry out the works of our Heavenly Father. Not to mention, standing shoulder to shoulder, we just about stretched across the width of the church. We are truly blessed to not only have our staff grow in numbers, but to also be growing in various talents and abilities.

At the lunch and open house, it was so refreshing to have so much life and energy ringing throughout the campus. All of the hard work throughout the summer paid off, as we were able to showcase some of the changes taking place throughout the school building. Our school ministries continue to change and transition, however, we have a loving Father that remains the same. Our school year theme is "Upon this Rock". Isaiah 26:4 says, **"Trust in the LORD forever, for the LORD, the LORD himself, is the Rock eternal."** Change may lead to uncertainties, dare I even say failures. Through it all, successes and stumbles, we have a solid foundation that will keep us from crumbling. Praise God for being our Rock and Redeemer.

Please keep us in your daily prayers. Pray for our teachers, our students, their families and the mission that is our school.

Upon this Rock,  
*Kyle Erickson*

LIFE LINE  SCREENING  
The Power of Prevention!

**Here at Trinity Lutheran Church!**  
Watch for more details in the upcoming bulletins.

**A Note from the Editor:** I enjoy driving. I always want to drive when my family or friends are traveling somewhere with me. My grand daughter is learning how to drive and is not "loving it", yet. A few weeks ago, five of my family members joined me on a road trip. It had been a long day, I was tired, it was late and I was driving on a curvy mountain road that I knew, but hadn't traveled in more than 10 years. One by one, my grand children, then my daughters drifted off to sleep. I glanced over to the passenger seat and saw that my son-in-law had ahold of the grab bar (or as it is sometimes referred to, the "Oh, Sh-t bar) and his knuckles were white! I know that feeling! My first husband had a daredevil attitude about life and when we were first married, I had not learned to trust. As we drove from Denver to Nebraska in a snow storm, I was white knuckled scared the whole five hours and the trip did not build my trust. Years later, my second husband and I would make regular trips from Colorado to Arizona during the winter with a pickup truck and a three car trailer loaded with classic cars through driving snow and winds that threatened to blow us off the road. I couldn't keep my eyes open, I slept. My second husband was a professional driver since his teen years, driving cross country in semi trucks, hot shots and classic cars. He raced cars for a while and had a healthy respect for life. Life is often referred to as a journey or a road to be traveled. Sometimes the road is straight and flat, but a sudden storm can make it slippery, unsafe, or even treacherous. Or perhaps it is a winding mountain road that is unfamiliar in the dark of night. My grand daughter has not yet realized that while she is learning to drive, she is also learning a lesson in trust. Trust in herself, her parents' guidance, and most of all, trust in God. As this journey of life continues, I am confident that my days of being a white-knuckled passenger will be replaced by the relaxed and peaceful trust of knowing God is at the wheel and I can sleep assured of His boundless love and mercy. My heart is warmed to know that my grand children and daughters trusted God to guide me and could sleep while I drove. My son-in-law trusts in God, and I know he loves me, but he is still working on trusting my driving! *"Trust in the LORD with all your heart and lean not on your own understanding; in all your ways acknowledge him, and he will make your paths straight." Proverbs 3:5-6*

At 3 am I woke up from a deep sleep. When this happens, I take the time to spend it with God. This particular morning I woke up and began sharing with God my worries about the new school year. God reminded me that he always has a plan. The next day at work, we had 2 more children sign up for preschool and several interested in our program.

Growing up we didn't have much money. My mom worked countless hours trying to support my siblings and me, but as I look back I also watched God pour his blessing onto our family. Though my mother struggled to support us she never lost her faith, she relied totally on God and He poured his blessings out each and everyday. Our church became the hands and feet of Jesus for us. As I go through this journey at Trinity Lutheran I'm watching God's blessings pour in just as they did when I was a child.

I thank you all for reminding me that God uses the church to be the hands and feet of Jesus. Your gifts, time and prayers will forever bless these children as they walk (or run) through our classrooms. I have many ideas on how I would like to see our program bless the children and their families in our community. However, my desire is for this program to be God's will, not mine. I'm on a prayer journey to find clarity to what God's will is for our preschool program and would love for you to join in praying for our program.

School will begin soon with 3 classrooms, 8 preschool staff, 40 preschool students and a new lunch program with fresh vegetables. We are excited to see God move in the halls and classrooms of our school this year.

If you are interested in Volunteering in the kitchen this year, please contact me at [trintiypreschool3000@gmail.com](mailto:trintiypreschool3000@gmail.com) or call the office and ask for Katie.

God bless,
