Sin and Salvation

*Submitted by Larry Whitney
Pastoral Assistant*

For all have sinned and fall short of the glory of God, and are justified by his grace as a gift, through the redemption that is in Christ Jesus. Romans 3:23-24

The Reformation began on October 31, 1517, when Martin Luther posted his Ninety-Five Theses on the door of the castle church in Wittenberg, Germany. It was long overdue.

Luther's theses reflect the two basic truths of the Law and the Gospel. Thesis 1 quoted Jesus' words calling for repentance, saying the "the whole life of believers should be one of penitence." The Gospel shines through, especially in Thesis 62: "The true treasure of the church is the holy Gospel of the glory and grace of God."

The first truth is Law, the Bible's message of the reality of sin. Through our first parents, Adam and Eve, sin has come down on all of humanity. Sin brings death as the penalty. The call to repentance goes out because "all have sinned and fall short of the glory of God."

The next truth is Gospel, God's grace extending to all. This grace means free, unearned, and unmerited salvation: the forgiveness of sins, the promise of eternal life, and spiritual newness. Salvation by God's grace comes to us through the worthiness of Christ, who atoned for the sin of the world. By believing in Him as the risen Lord and Savior we become the beneficiaries of His righteousness and holiness. It is for His sake that God declares us righteous and holy. This is the doctrine of justification. It is the heart of the Gospel, the basis on which the Christian church stands.

The three truths "by grace alone," "for Christ's sake alone," and "through faith alone" have a fourth measure: "sola Scriptura." This is to say that the Bible is the only source of what is taught in the church.

Let us give thanks this October to God for restoring the Gospel in its purity and power.

THE VOICE OF MARTYRS

www.icommittoprayer.com

From the Desk of our President

Well I thought it was going to be Fall, but I was wrong. Hopefully by the time you read this it really will be a nice, beautiful fall.

We are busy working on a few projects around here. We are finishing up the repairs on the area around the HVAC units that have now been replaced. We are selling the distressed brick from the wall that used to surround the HVAC units. If you or someone you know is interested, please let me know. We are waiting on a confirmed date for the pew renovation project to start. We are hoping to get the swing set moved so we can expand the pre-school playground. The landscape work on the west side of the school entrance will start soon.

A special THANK YOU to the LWML ladies who paid for and supervised the cleaning of the carpet in the Narthex and entry of the church. It looked and smelled so nice!

We are in need of more people to help us with our Church Clean-Up Days. Our "Clean Up Crew" is down to only 3 or 4 regulars, and it is time to get the church area spruced up for Fall and prepped for winter. The crew meets at 8:00 am every 2nd Saturday of the month. Please try to join us!

If anyone knows where the original plans (or copies) are for the building of the church and school I would be grateful if you would let me know (970.381.7297 call or text). Pastor and I have been discussing how to make more space for the growing Bible Study groups we have and we thought it would be good to look again at those plans.

We have placed some good information in the stacking boxes in the church office, including a good piece Steve Cooper put together on long term care insurance. The Elders are planning an Elderly Services workshop on December 2 to give members of the congregation a chance to discuss and get some questions answered about services they or their family members may need. Put this on your calendar (2:00 at the church), and start thinking about questions you or your family may have.

As you will see elsewhere in the newsletter, we are working hard on the fundraising for our Scholarship program. Please keep the school, and especially our scholarship families in your prayers, and prayerfully consider helping us help them.

I am blessed and grateful for the opportunity to serve you!

God Bless you all.

CHRISTIAN EDUCATION

"I'm so glad to live in a world where there are Octobers." What a beautiful quote from L.M. Montgomery in Anne of Green Gables – one of my favorite childhood books! We pray every day thanking God for the seasonal weather and His wonderful creation.

September got the youth of the church off and running with Sunday School kick-off, Confirmation beginning again for the school year, a Club 345 debut of a mini-lock-in, and junior high putt-putt golf. We are so blessed to be here as a family of believers in fellowship, worship, discipleship, and service together!

2nd and 4th Mondays at 7:00 p.m.: MNT (Monday Night Teens – formerly Tuesday Night Teens! – Please note the new day of the week!)

Senior high students, meet at Zoe's Café downtown (right across from Carl's Jr.) for Bible Study and fellowship. We will be looking into Lee Strobel's Case for Christ as a way to explore the tough questions asked of Christians in defending their faith.

Sunday, October 14th:

Junior AND Senior High Outing at the Fritzier Corn Maze

Please bring \$5 and your sense of adventure! Please meet here in the church parking lot at 3:00 pm so we can drive together! (Adult chaperones/drivers welcome!)

Saturday, October 20th: Guess Who's Coming to Dinner (ALL church members included!)

Get to know your fellow Trinity members! Sign up to HOST a dinner or to be a GUEST at someone else's home! Here's the catch: Only the hosts know who the dinner guests will be! HOSTS will let GUESTS know what menu items to bring! Prepare for a fun surprise when you arrive! The sign-up sheet is in the narthex as you enter into the church building.

Help us with our Scholarship Fundraising Campaign!

Beginning Sunday, September 30th through Sunday November 11th, there will be a presentation after first service and before second service each Sunday. Each Sunday will be different, so plan to stay a few minutes after first service or come a few minutes early for second service. Each Sunday's bulletin also contains a piece about the importance of the Scholarship Fund and the families that it assists. If you missed one or want to share one, contact the office for a copy. Please take this to God in prayer and petition Him for His guidance. Thank you.

TOGETHER WE CAN MAKE A DIFFERENCE!

School Happenings

Brothers and Sisters in Christ,

Last month, our Kindergarten through 8th grade students took a field trip to the Rocky Mountain National Park. It is never too early to start burning some of the stored up energy from our littler friends. Along with the exercise and fellowship, what a breath-taking opportunity to witness our REAL.PRESENT.GOD. This is our school year theme and focus, as we observe our God's presence with us, His power and majesty, and His agape love for us.

October 17-19, we look forward to sending Pastor, Preschool staff, along with K-8 staff to the Church Worker Conference in Breckenridge. The focus for this conference is Crucial Conversations: Identity. Here is a description taken from the Rocky Mountain District website: "At this year's conference we will explore the identities of the students in our classrooms, youth rooms, hallways, and churches. Keynote speakers and Bible study leaders will provide information, insights, challenge, and encouragement as we engage in crucial conversations about our own identities in Christ and the identities of those we serve." Prayers for safe travels, the time spent together as a staff and with fellow church workers, and for the knowledge gained to continue to grow God's kingdom.

Mark your calendars for Saturday, October 27, as we look forward to the TLS Fall Festival. This is an evening of family fun with games and a Chili Cook-Off. Everyone is welcome to join us. Be looking for a sign-up sheet to enter your favorite chili recipe in the cook-off, may the TASTIEST chili win.

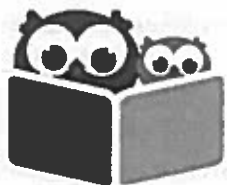

Also mark your calendars for Friday, November 9. At 10:00 am, our preschool through 8th grade students will be leading our Veterans Day Program. Everyone is invited to join us. Make sure to bring a neighbor, relative, or friend. I truly look forward to this program and the interactions between our students and veterans. THANK YOU.

In Christ's Service.

Reformation is October 31st!

"Luther's Seal" or Luther's Rose" is arguably the single image that best explains the theology of Martin Luther and the Reformation. In a 1530 letter to Lazarus Spengler, who helped design the seal, Luther writes:

From the wilderness of Koburg Castle –8 July 1530

Honorable, kind dear Sir and Friend! Grace and Peace in Christ!

Since you ask whether my seal has come out correctly, I shall answer most amiably and tell you of those thoughts which now come in my mind about my seal as a symbol of my theology. There is first to be a cross, black, and placed in a heart, which should be of its natural color (red), to put me in mind that faith in Christ crucified saves us. For if one believes from the heart, he will be justified. ["For it is by believing in your heart that you are made right with God, and it is by confessing with your mouth that you are saved." -Romans 10:10] Even though it is a black cross, which mortifies and which also should hurt us, yet it leaves the heart in its natural color and does not ruin nature...that is, the cross does not kill, but keeps man alive. For the just shall live by faith, by faith in the Savior. ["This Good News tells us how God makes us right in His sight. This is accomplished from start to finish by faith. As the Scriptures say, 'It is through faith that a righteous person has life.'" -Romans 1:17]

Such a heart is to be in the midst of a white rose, to symbolize that faith gives joy, comfort, and peace. In a word, it places the believer into a white joyful rose, for this faith does not give peace and joy as the world gives. ["I am leaving you with a gift –peace of mind and heart. And the peace I give isn't like the peace the world gives. So don't be troubled or afraid." -John 14:27] Therefore, the rose is to be white, not red, for white is the color of the spirits and of all the angels. ["..an angel of the Lord came down from heaven and rolled aside the stone and sat on it. His face shone like lightning, and his clothing was as white a snow." -Matthew 28:2b-3 and "She saw two white-robed angels sitting on the head and foot of the place where the body of Jesus had been lying." -John 20:12]

This rose, moreover, is fixed in a sky-blue field, symbolizing that such joy in the Spirit and in faith is a beginning of the future heavenly joy. It is already a part of faith, and is grasped through hope, even though not yet manifest.

And all around this field is a golden ring, to signify that such bliss in heaven is endless, and more precious than all joys and goods, just as gold is the most valuable and precious metal.

May Christ, our dear Lord, be with your spirit until the life to come. Amen.

Martin Luther

A Note from the Editor: Last week I was blessed to attend a small town High School football game. I went to watch my grand daughter on the "Dance Team". (She was awesome.) The Dance Team cheers their team on and performs a routine at halftime. If you are thinking that sounds like a cheerleader, I would be in agreement. I'm sure I attended games when my son played football, but the memories of the small town games when I was in High School are more vivid. October reminds me of cool almost chilly Friday nights when the entire community, including the farmers from miles around, all converged on the bright lights of the football field. Those lights could be seen for miles. At half-time the marching band would perform. A lot of things are the same, but with updated pieces. Our marching band did not haul around xylophones and have dancers with flags, but we were a really small school. October's calendar would have a scheduled date for the Homecoming Game and Dance. Everyone hoped for a big win or the dance would be a bust. Football players didn't want to dance if they lost their game. If one compares life to a football game, the world around us would promote that it's all about winning. Who has the best stats, the best car, most expensive home, or lucrative career? The world says winning is all that counts. Decades ago when I was in High School, people still believed that winning was not as important as how you played the game. How do we play the game? Do we follow God's guidance or do we let Satan trip us up? I am looking forward to the ultimate Homecoming, when God calls me home. There will be dancing, not because I am the best at anything or played the game of life the right way, but because God forgives me all my sins, having sent His Son, Jesus Christ to die on the cross to pay for those sins. May the best Coach in all our lives, continue to bless us all.

Preschool News

We have a month of school in the books! We have a group of great kids. We are learning lots as we study a theme, letter and Bible story each week. We are working our way through the Old Testament this fall. We are already to the letter "D" in our alphabet studies. We did lots of cooking during the week "A is for Apples." I really enjoyed the "C is for Cat" week as I shared lots of photos and stories of my precious feline, Samson.

Each preschool classroom now has an altar to serve as the focus area of our room when we have our daily "Jesus Time". Staff-member Mary's husband, Pastor Gregg Schultz, made the simple wooden altars. I received some of the old church paraments to use for my classroom. Small children love routine and ritual, so we have an order to our daily worship time together. We will teach our students many things this school year, but the most important thing we can do is instruct them in the basics of the Christian faith and nurture them spiritually.

Last month I mentioned our need for chairs. Another Lutheran school was going to let us borrow chairs for the year, so Kyle and I picked them up right before school started. They are now willing to sell the chairs for \$5 each, which is a bargain. These chairs are definitely "used", but will last us for a little while longer.

The children will be very excited to see the calendar change to October. We will be practicing our safety habits - including lots of safety drills at school. It's also the time for pumpkins and fall leaves and Halloween festivities. There is never a dull moment in preschool - feel free to stop by any morning and see our classes in action.
