

We have celebrated the birth of Jesus, the nativity scene is put away, the Christmas tree is dried up and gone (except for those needles hiding under the couch), and the lights are off of the roof... NOW WHAT? Keep celebrating! Celebrate the eternal gift of peace, love, and joy that came to us in the human flesh and lying in a manger.

As we look ahead to January and February events, be reminded that all that we do is to glorify the name of our Lord, Jesus Christ!
