Trinity Families,

The beginning of every school year seems to have a new look, new changes if you will. Well, this coming school year does not disappoint in that area.

For starters, our new school year theme is "Sent to Serve." The theme verse comes from Matthew 20:28, which says, "The Son of Man came not to be served but to serve, and to give his life as a ransom for many." What a very fitting theme for the interesting times that we are in. This is why we are here, and echoes our mission statement, "Sharing Christ, Serving People." This school year, we will regularly be reminded to put all of the worldly issues to the side and fix our eyes on the cross. We do this in response to what Christ has done for us, when he came here to serve us.

Like all of the other schools in Colorado, it has been 5 months since teachers have been in the classrooms with their students. To say that everyone is excited to begin the school year on campus is an understatement. However, in order for this to happen, there will be new policies and procedures put into place to ensure that we are keeping everyone as safe as possible, and to comply with national, state, and local guidelines. For starters, we will ask that all staff, students, families, and guests to wear a mask while mobile throughout the school building. Prayers are greatly appreciated as we begin the new school year with these new implementations.

Also on campus, you will notice a new face in the 3-4 grade classroom. We welcome Ms. Brenda Jaynes to our Trinity staff. For some of you, this may not be a new face; Brenda taught at Trinity prior to transferring over to Zion Lutheran in Brighton. At the preschool level, we are asking prayers and possible leads for a teacher's aide. Contact Gwen Marshall for more details.

Sunday, August 23, we will still have our Back-to-School Church Services, BBQ Lunch, and Open House with modifications. See the front page of the newsletter for more details.

Also on August 23, we will be kicking off our scholarship campaign to support K-8 school families that are in need with tuition assistance. Many of our families have been affected by the pandemic and are trying to rebuild. In return, these families are committing to service hours that will in return benefit the church and school (a good portion of the school upstairs has been painted through service hours). Please prayerfully consider giving to this campaign. We have never had to turn a family away due to financial reasons. What a blessing!!!

Cheerfully in Christ,

Gwen Marshall, Director of Early Childhood Education
Kyle Erickson, Principal of K through 8th Grade

Director of Christian Education

I'm very excited for the Director of Christian Education position to expand! I look forward to spending the next weeks in intentional vision and mission contemplation as we move forward in doing God's work here. My typical weekly day off will be Mondays.

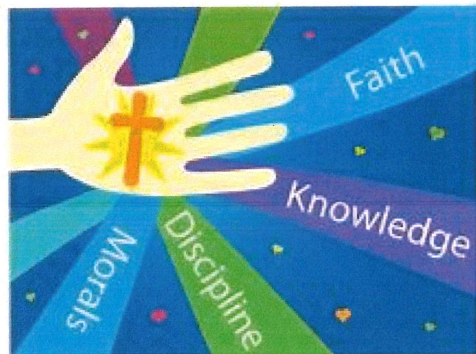

As with many other ministries and events, we had to think outside of the box for this year's Vacation Bible School. Our concept for 2020 was a "backyard", "take-home" project for families to pick up a kit and partner with another family to see this through. Our intention was to still provide a VBS experience for our families, while enabling them to reach out into their own neighborhoods for evangelism purposes. Crafts, snacks, handouts, and DVDs were given out, with videos posted online for each lesson to explain all of the different aspects of the typical VBS day. We had over 40 VBS kits given out – to God be the glory! We're looking forward to a closing celebration on **Sunday, August 2**, with bike riding and popsicles in the parking lot.

Summer Sunday School also looked a bit different. We have been sending home packets for families to complete at home for the summer called "God's Great Right Here" that is a camping-themed (visually) where kids get "badges" in the form of stickers for completing devotional videos, Bible readings, family projects, etc. We will be back in session in person following Labor Day weekend in September. We are currently working on health policy and procedure for students and teachers to ensure the safety of our members.

Confirmation classes resume with parent meeting on **Wednesday, August 12 at 6:30 p.m.**; regular classes will begin on **August 19 at 4:00 p.m.** (for first year students only for the first few weeks as an intro). Second year students will begin to join us in September.

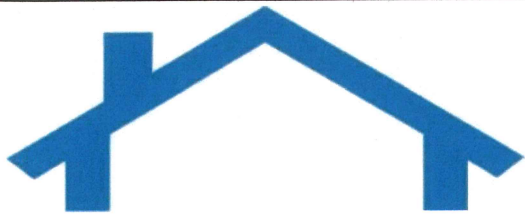

As the fall calendar is explored and created, I look to schedule activities and events for our Club 345 (3rd-5th grade students), junior high and senior high youth, as well as families and adults. A church calendar isn't just a place for programs and activities, but a venue in which our ministries are carried out in Worship, Evangelism, Discipleship, Service, and Fellowship. Please join me in prayer as we always try to create opportunities for these for all ages!

Director of Christian Education

From the Pastor's Desk

Dear Sisters & Brothers in Christ,

Lindy and I had quite an interesting journey through the midsection of the U.S.A. in our recent travels. We really wanted to get a sense of how others are dealing with COVID 19. There are some interesting perspectives. It was wonderful being in South Dakota and visiting Mt. Rushmore. What a special place. Our most wonderful experiences were the people that we were blessed to meet in our camping experiences; people from Wisconsin, Oklahoma, Iowa, Nebraska and locals from South Dakota just to mention a few. We met a lovely Christian family who wore their faith on their sleeves. A couple mornings after having met them, the

father and son stopped at our site, in the rain, and asked to have a prayer with us! This is truly God's Church at work. Yes, we were gathering, which is not only legal but encouraged in South Dakota.

This trip was so refreshing to be around people who desired to be physically together. Streaming and zooming are great technologies and they definitely have their purposes but God intends for His people to be physically together. Ever since we entered into this social distancing mode I have not ceased to think about this passage in God's Word (Hebrews 10:23-25):

"Let us hold fast the confession of our hope without wavering, for He who promised is faithful.

And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near."

Why those here referred to neglected public worship, is not specified. It may have been for a variety of reasons such as the fear of persecution, apathy, seeing a lack of purpose, or perhaps dissatisfaction with the Church or leaders and members of it. Worship, the physical assembling together, is a very part of God's design for His Church. Religion is social; and our graces are to be strengthened and invigorated by waiting together on the Lord. We need one another for support and encouragement. Nowhere in Scripture does God direct us Christians to be lone rangers in the faith. There truly is strength in numbers through physically fellowshiping together.

It is a known fact that anything practiced for 21 days or more becomes a new routine that is hard to break. I will always remember March 15th, 2020. This was the last Sunday that we, the members of Trinity, worshiped together under normal circumstances. We are now into four months of our "new normal." Many among the clergy are now discussing if we will ever get back to the "old normal." In most congregations, offerings have dropped way off which hinders local ministry and mission work here and throughout the world. People begin to drift away and lose interest in the local body of Christ; no longer receiving the Lord's Supper and public absolution which are both, by God's design, so spiritually empowering!

How did we get to this place in Christianity in America in just four months? Fear. This whole event has been built upon and empowered by fear. Is COVID 19 something to be concerned about? Absolutely. Is it something that should prevent us from abiding by God's will? No. The early Church, during the time of this writing in Hebrews, was a severely persecuted Church. It was extremely dangerous to be a public confessing Christian; by the way, much more dangerous than COVID 19. Obviously, there was concern then that fear was distancing Christians from physical public worship together despite the dangers of doing so. Praise God for the courage of the early Church and their willingness to even die for the faith. In Hebrews 11 (I like to refer to this chapter as the *Hall of Faith*), God encourages us by directing us to look at the history of those faithful who have gone before us and the suffering they endured:

Some faced jeers and flogging, and even chains and imprisonment. They were put to death by stoning; they were sawed in two; they were killed by the sword. They went about in sheepskins and goatskins, destitute, persecuted and mistreated—the world was not worthy of them. They wandered in deserts and mountains, living in caves and in holes in the ground. These were all commended for their faith . . ." (Hebrews 11:36-39a).

In the midst of our current times, may we listen to God and not man; *"Let us hold fast the confession of our hope without wavering, for He who promised is faithful. The Day is drawing near; we are one day closer, today, to our Lord's return.* May our focus be upon God's faithfulness and Christ's certain return. By the way, this is not intended to guilt anyone into returning to worship. My intent is that we all consider the cost of giving into fear as opposed to standing up to fear by trusting the One Who is faithful and exposes fear.

God bless you,

Pastor Greg

Note from the Editor: It is challenging to stay healthy in this new COVID world we live in. I'm not germophobic or anything, but I am one of those "at higher risk" people, so I am careful about what I do, when and where. I don't go into the grocery stores or any other stores to shop, I mostly shop on-line. Unfortunately, on-line shopping doesn't help me get my daily steps in, so I walk in circles around my house. What ever works, right? I live alone, so you would think that am used to it, but I didn't realize how many things I did away from my home, until the world was quarantined. Isolation is a tough roommate to live with. So what does one find to do at home alone? I like to read, but sometimes after working all day where I do a lot of reading, I want to do something else. Television has always been a go to activity, but I can only take so many reruns before my mental health is at risk. Then, God led me to Christian movies! I had purchased some over the years, but had not taken the time to watch them. Not just feel good movies, but movies about good Christian people who struggle and through faith overcome those struggles. These movies remind me that God's hand is in everything and even the bad can be used for good, when God is involved. I have a new health routine that is centered around God. I start the day in prayer, read daily from the Bible and devotions, listen to hymns or other Christian music throughout the day, watch a Christian movie in the evening and end the day in prayer. May you find your comfort in God's loving arms and keep Him close to you everyday. *"Trust in the LORD with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight."* Proverbs 3:5-6
