Staff Prayer Retreat

We are off to a GREAT start!!!
 I feel like a broken record by saying this, but “Every year gets better and better.” That is not a knock on previous years, but a huge compliment to the start of this year. It is so nice to once again see our returning families, and I absolutely love getting to know our new students. We are so blessed!!!

School Pictures

Tues, September 15 Preschool Only
Wed, September 16 K-8 & Preschool
.Order forms due by Friday, 9/18

Students may “dress up.” This may include “church” clothes, nice blue jeans with a dress shirt, etc.

	Teachers Church Worker Conference

Trinity Spirit Wear

Make sure to order your Trinity “Spirit Wear” before Sunday, September 6.

You can order them online at:

<https://trinity20200.itemorder.com/>

A reminder that students may wear blue jeans and Trinity shirts on Fridays.

LifeGuards on Duty

We once again look forward to connecting our church and school ministries with “lifeguards.” Church members will be assigned to a student and this will become their “lifeguard”. Each student will be prayed for, receive cards, small gifts throughout the school year. With the influences of the world we live in, praise God for the additional support for our students from our “lifeguards.”

Back to school has some of us feeling like...

Service Hours

This is for families that are receiving tuition assistance and in need of service hours. Things look a little different compared to previous years. We are holding off on field trips and social events for now. However, there is still a lot going on, and plenty of help is needed. Here’s how you can serve:

- *Cleaning; when we opened up our elevator shaft, dust flew everywhere. We need help organizing and cleaning the kitchen.
- *Upstairs Work: Flooring is next. We will need help cleaning/prepping the concrete (this will require lots of mopping) for carpet squares and paint to be applied (which is also volunteer work).
- *Ink Cartridges: This will require delivering used ink cartridges to Fort Collins.
- *Plastic Lids: As middle school continues to take in plastic lids, they could use some help organizing them.
- *Yard work-Branch /shrub removal and cleanup.

Upstairs Update

We are getting closer and closer to receiving final occupancy to be able to use our upstairs. This project began last August with God’s hand working in and through this project in many ways. We look forward to giving elevator rides after September 2. We look forward to utilizing this space for our middle students beginning this coming fall of 2021.
