Did you know that right here in Weld County 1 in 5 people are going without food **today**? Or that 1 in 4 children are struggling with the effects of hunger **right now**?

So far this year (2021), Trinity has donated 400 pounds of food to Weld County Food Bank.

*Drop off your donations at the school M-F 8 am –4 pm or at the Church on Sunday mornings. If you would prefer to give money (cash or gift cards) give them to Barb Perusek. \$1 will feed 4 people \$25 will feed 100 people. Prayerfully consider giving.*

*Thank You, Trinity!*

### Summer is here!

Sunshine and rain showers make everything grow. However, there is one thing that really struggles to grow in the summer and that's the offerings in the offering plate.

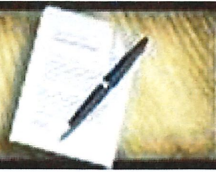

Without the school tuition income during the summer (which is between \$16 to \$20 K per month), it is a challenge take care of all our payroll and other operating costs that run year round. We always manage to pay the bills, but we have to draw on our savings to do that.

Please prayerfully consider dropping a little extra in the offering plate on summer Sundays. If you are enjoying a summer vacation, or have a busy summer schedule, please remember us and either mail a check or make it up when you return. Don't forget we have a donate feature on our website to make it even easier. You might also consider setting the church up on your on-line banking as a regular payment. We have several members that have done that. Talk to your bank on how to do that, each bank is a little different. You can set it up to send money to Trinity weekly, monthly, or on whatever schedule works for you.

This is **YOUR** church and **YOUR** church needs **YOUR** help! Think of all that God has given to you and give accordingly to His work. Thank you so much for your prayers and support.

## FROM THE PASTOR'S DESK

Greetings in the name of our Risen Lord. Yesterday in worship we sang these words during Holy Communion from a hymn,

*"I Am the Bread of Life."*

*"Yes, Lord, I believe that you are the Christ, the Son of God,  
Who has come into the world." Refrain  
And I will raise you up, and I will raise you up,  
And I will raise you up on the last day."*

At the heart of every congregation's ministry should be this belief. Jesus is the Christ, the Son of God. This was God's love for a fallen world. Christians believe that on the last day, it is Christ who will raise us up to our eternal future with our loving God. While this is at the heart of ministry together, we share a heart condition. We may look quite good on the outside, but internally sin is at work.

Last August Trinity experienced a mild heart attack. Things had been under the surface, we could list them, but like any of us who have experienced a heart attack know, you need to rebuild your strength and become healthier through that process. It takes time and hard work. God led the congregation through a process to bring a pastor into your midst to shepherd you through becoming a healthier congregation. In April God led me to accept the challenge of working with you. My goal is to use the tools God provides to lead you to calling a new shepherd, becoming a stronger body through the process. The reason I accepted this challenge is because I see tremendous potential for Trinity to become a stronger congregation focusing on ministry that God calls you to do together in the Greeley area.

I recently heard someone say, "I wish we would get at moving Trinity to calling a pastor". Truth is, we have begun the process. The first step was interviewing members, willing to share their thoughts. My goal was 30-40 families or members. We had over 50 sign-up and meet with me during May.

Recovering from any serious illness takes time. Together we need a goal, a plan for God to lead you to being a healthier congregation. On June 27 between the two services that morning I will share what I learned from those interviews, outlining a plan for moving forward. I would like to invite all members to listen, to share and to become involved in that process. It is easy to believe that there is something bad when you experience what happened. Truth is, Trinity is stronger than many may think, there is tremendous potential and strong leadership. Yes, it will take work, planning, and sharing. Remember our God is greater than all of us combined, He has a future for you, allow God to lead.

Communicating will be key. I like sharing a monthly thought in the monthly newsletter. This is one way to improve communications. We need to be talking to one another with our concerns, ideas, and goals. Parking lot discussions are common, but real change comes when we talk to, with, one another in meaningful discussions.

I am committed to share the knowledge I have, to learn with you through what we do. I am not an expert, I have training, but I have not done what we will be doing together. You will need to be forgiving when I make mistakes just as I will be forgiving when you make mistakes. That is the ministry of reconciliation. In talking with others, I have a vision for what we can accomplish. We all need a vision. Proverbs reminds us that people without a vision perish. The goal God has laid before us is to deal with the past, live today and plan for a future. This is my goal and prayer as we work together.

Pastor Kent Schnegelberger  
Vacancy Pastor

## 5-Part Sermon Series begins June 27

Beginning on Sunday, June 27 Pastor Schnegelberger will focus on five realities that affect congregations as they desire to become healthy. At the heart of these five realities is the Word of God. As each are part of our life in a congregation, we need a focus on what God has to say about each one.

Here is a breakdown of the five-part series:

**June 27 “Resistance to Change”** The Gospel does not change but the world in which we live is a changing world in need of hearing the Good News.

**July 4** One service at 8:00 a.m. This day will be centered around our National holiday of Independence and is not part of the series.

**July 11 “Refining Purpose and Mission”** What is the purpose of Trinity Lutheran Church and School. Together a congregation needs to have a vision and mission for where they are going.

**July 18 “Exercising Christian Stewardship”** Support for doing ministry is at a decline across Christian denominations. At the heart of our purpose and mission is funding what we want to do together.

**July 25 “Controversial social issues produce conflict and tensions”** There are a number of social issues that demand Christians attention. They can be painful because of a variety of beliefs among the membership. These issues can create strain between relationships of God’s people.

**August 1 “Diversity in American society blurs the differences of religious principals”** The idea of denominationalism is under attack. Doctrinal concern for most Americans is on a decline. The church has a challenge to be clear where we are.

As we begin our work together, these challenges will have to be addressed and worked on as a congregation. God’s Word challenges each of these realities. Some of these challenges will challenge Trinity’s life. Come and consider how God speaks to these.

Trinity, the pandemic took a huge toll on our homebound members. They spent a year plus, isolated and alone. Please keep them in your prayers and consider calling or sending cards or letters to let them know you are thinking of them. If you need an address or phone number, call the church office or pick up a directory at the church.

**UPDATE:** The Visitation Team is able to be out and about again and could sure use some more help getting to all our members who are homebound. We give thanks to God for George Hesse, Donna Hanselmann, Sharon Long, and Teresa Detterer who did their best to keep in touch through phone calls during the pandemic. Recently, Pastor Schnegelberger and Joyce Anderson have joined the team. If you would like to be a part of this team, contact Cheri Carsten or Pastor Schnegelberger for more information.

**OFFICE HOURS FOR PASTOR-** Starting Wednesday, June 23, Pastor Schnegelberger will plan to spend several hours in the office at Trinity (in the school building). If you would like to meet with Pastor, call him to set up an appointment as he will also use that day to do visits and private communions. It is his plan to be available in the office on Wednesdays through the summer months. However, should you need pastoral care at any time, feel free to call his cell phone 303-775-6556. He is here to serve you, the people of God in this place.

## Preschool & K-8

Trinity Family,

"They said it couldn't be done, but we did it!" That is how Pam Clavir, Co-Chair of the BOCE began her report to the Voters Meeting on June 6th. She was referring to the achievement of keeping our school open to in-person teaching all of the 2020-2021 school year. We give thanks and praise to God, not many schools were able to do that. We are excitedly looking forward to the 2021-2022 school year and the celebration of 75 years of Christian Education here at Trinity. With the pandemic hopefully behind us, there are many plans to be made for the new school year and how that will look. We ask that you will continue to keep us in your prayers throughout the summer as we seek God's guidance. Continue to give thanks and praise to God for the many blessings He has bestowed on this mission!

Our PTL will be working hard to raise money with the famous Trinity Pork Chops-on-a-stick. If you are a fan, stop by and see us at one of these events:

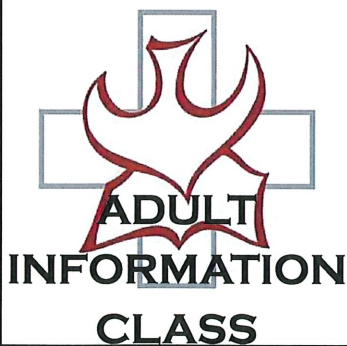

- The Greeley Old Time Farm Show on July 17th
- The Greeley Arts Picnic on July 24th and 25th
- Trinity Lutheran's Picker's Paradise on August 7th

Hope to see you at one of these events!

Have a great summer!

Sent to Serve,

*Director Gwen Marshall & Principal Kyle Erickson*

**ADULT INFORMATION CLASS**-We have several people who are considering joining Trinity. Pastor Schnegelberger will begin a six week adult information class on Wednesday, July 7. It is expected to run for the following six Wednesdays. The class will meet from 6:00 p.m. to 7:30 p.m. in the church. All members are welcome to attend. Sometimes it is good to have a reminder of what we believe and teach. This information class takes you through the six chief parts of Christian doctrine.

**CONGREGATIONAL REPORT** -On June 27th during the Sunday School hour between services, Pastor Schnegelberger will share the findings of the over fifty interviews he conducted in the congregation. We are doing it between worship services to accommodate more members to attend. A glimpse of the plan will be shared because it is what we do together that will bring the results God desires. The drawback is that we will have limited time. Pastor Schnegelberger will try to offer time for questions. However, if time does not allow, he invites you to call him at any time to discuss any part of the presentation.

Dear Alumni,

Trinity Lutheran School is pleased to announce its upcoming 75th anniversary celebration. Please help us celebrate this momentous milestone by joining us the weekend of **October 9th and October 10th of 2021**, for a fun-filled program at the school at 3000 35th Avenue in Greeley.

The celebration will begin on the evening of Saturday, October 9th at 5:00 PM with a barbecue and open house tours of the school. The evening will conclude with an exciting program and power point presentation in the school gym at 7:00 PM. On Sunday, October 10<sup>th</sup>, the services will be combined into one service. An encore presentation of the power point presentation will begin at 8:30 AM and the church service will begin at 9:00 Am. There will not be any Sunday school or Bible Study classes following the service. We invite everyone to join us in the Fellowship Hall for brunch immediately following the service.

We would love your help in making this celebration happen. First, we need to track down as many past alumni as possible. We also need as many photos as possible of classes and students (including yourself) and fun memories. Please email all such contact info and material to Terri Swanson at [terriswanson57@yahoo.com](mailto:terriswanson57@yahoo.com).

Second, we need you to email all your fun anecdotes, pictures, and words of appreciation about Larry Whitney to Les Durdy at [ldurdy@comcast.net](mailto:ldurdy@comcast.net).

Thank you for anything you can send for these two needs and we look forward to seeing you and celebrating with you in October!

Regards,  
Trinity School 75<sup>th</sup> Celebration Committee

Please note that due to scheduling conflicts, the dates previous published for September have been moved October to 9th & 10th.

### **Vacation Bible School 2021**

The middle of June brought us to Vacation Bible School – God's Wonder Lab! VBS was a wonderful, busy week! The Bible accounts of Jesus sharing His first miracle, walking on water, healing a young girl, His resurrection, and appearing to Paul were told again to the children with activities, games, crafts, and snacks. Over 60 children heard the good news every day that our God does marvelous things! A big thank you goes out to all of those who helped, either during the week or behind the scenes before the event! VBS is a wonderful tradition, and we're already looking forward to next year!

### **Youth Servant Event to Alamosa, CO**

Seven of our young people will be heading to Alamosa this month for a week of serving and Christian community as we look to be the hands and feet of Jesus for the people there. Surrounded by the beautiful mountains and abundant wildlife, this area is one of the most impoverished in the state. We will be helping with light repairs in homes as well as working with children in the neighborhoods. We look forward to sharing the experience with the congregation following our return. Thank you for your prayers and support!

### **Other Items for Your Calendar:**

Sunday, July 18: Family Bike Riding, 3:00 – 5:00 p.m.

*Bring your bikes and we'll bring the popsicles! We'll hang out in the church parking lot and enjoy some fellowship with friends of all ages!*

Wednesday, August 25: Confirmation Student and Parent Meeting, 6:30 p.m.

*All new and returning Confirmation students and their parents will get together for an overview of what Confirmation is, and what our schedule will be for the year. We will meet in the church narthex entryway.*

Director of Christian Education

# **SUNDAY, JULY 4TH**

## **8:00 AM SERVICE ONLY!**

**Note from the Editor:** I was tidying up my home office when I came across my TBD stack. You know, that stack of things you are not quite sure what to do with, do you keep it or toss it. What is the respectable amount of time to keep a birthday card? I don't know, but anyway I found one. It was one of those that tells you what was happening in your birth month 5 years, 10 years, or 25 years ago. It started me thinking about all that has happened this last year when the 2020 Pandemic changed the world as we know it. My mind wandered to Trinity. A year ago, we had just started back with in-person church services the month before. Many of our Trinity family members were not ready or perhaps able to return, as we all waited to make some sense of the contradictory news reports regarding the pandemic. We were encouraged by the CDC to be anti-social, to stay at home and wait it out. But God continued to shower Trinity with blessings. The upstairs at the school was taking shape and I shared pictures in the newsletter of the completed bathrooms. VBS was kicking off remotely, with craft kits and videos being sent to families to do while they were quarantined at home. Sunday services were live-streamed for those who couldn't attend services and guess what, the world tuned in. Now, a year later, Trinity has a lot going on. VBS was live and in-person this June. The Small Group went back to meeting on Wednesdays, but now it's every week with women meeting on the 1st and 3rd weeks and men on the 2nd and 4th weeks. There are families from the school wanting to become members. We have a Youth Group going on a Mission Trip to Alamosa for a week. There are events for families like "Family Movie Night" and "Family Bike Riding". The school enrollment is up from last year and our staff is excited to welcome these new students and their families. There is a "can do" attitude about our leadership that inspires a feeling of growth. Members are coming to Voter meetings. There are exciting things happening at Trinity, can you feel it? So many things were shut down last year, but through it all God was there and His Holy Spirit was at work in Trinity, bringing new life. May you be excited to be a part of God's family here at Trinity and the blessings He has given us. May you feel the new life that Christ gave us all when He laid down His life on the cross to take away our sins.

*"Therefore if anyone is in Christ, he is a new creature; the old things passed away; behold, new things have come." 2 Corinthians 5:17*

## GROWING IN GOD'S WORD

God wants you to be "planted" in His Word and to grow up serving him all your life.

Unscramble each underlined word, and write it in the blanks below.  
Use the definitions as clues.

Psalms 1:3 NIV tells us what we should be like:

"He is like a (1) etree (2) dpeltan by (3) smatres of (4) rawte,  
which (5) ledsiy its fruit in (6) sonsea and whose (7) afle does not  
(8) rithew. Whatever he does (9) spropres."

1. \_\_\_\_\_ (a wood plant with one main stem or trunk  
which has many branches)
2. \_\_\_\_\_ (rooted into the ground)
3. \_\_\_\_\_ (small rivers)
4. \_\_\_\_\_ (a colorless and transparent liquid)
5. \_\_\_\_\_ (produces, gives)
6. \_\_\_\_\_ (a time of the year)
7. \_\_\_\_\_ (flat, thin part of a plant growing from  
the stem — usually green)
8. \_\_\_\_\_ (to dry up or wilt)
9. \_\_\_\_\_ (succeeds)

Answers: tree, planted, streams, water, yields, season, leaf, wither, prospers
